## Sharing the Good News!

Have you ever been approached in a store parking lot by someone asking for a few dollars for food or gas? The members of the adult class, led by Judy Travis, have had some lively discussions about our own experiences with these situations. As one person commented, "what good is giving a person \$5 if you don't give them Jesus too?", so we developed a tool to use for this and other occasions - a card pointing them to the Savior. Since we have had them printed, we would like to share them with anyone who wishes to keep a few handy in their wallet. **Look on the back table in the sanctuary and take what you will use.** The adult class on Christian Character has provoked much discussion and sharing. Join us and grow!
